### **County Executive Announces Public Meeting to Review Next Generation Radio System Strategic Plan Report**

Erie County Executive Kathy Dahlkemper, along with Public Safety Director John Grappy, is pleased to announce that the Erie County Department of Public Safety will host a Town Hall Meeting at the Albion Fire Station, 13 Smock Avenue, Albion Borough on Tuesday, October 28, 2014 from 6:00 PM – 8:00 PM to discuss the County's radio project.

In conjunction with the Erie County Department of Public Safety, the Next Generation Radio System Needs Assessment and Strategic Plan Report will be presented by Mike McGrady of MCM Consulting Group. Erie County Executive Kathy Dahlkemper and Erie County Councilwoman Carol Loll are expected to attend.

Emergency service providers will be have an opportunity to discuss the next course of action based on the final report and recommendations and provide insight on the system they currently utilize.

The goal of this project is to migrate the existing County radio system(s) and users to a common platform to provide the most technologically advanced communications system that meets the needs of Erie County in the most cost efficient way and provides for interoperability among all users of the system.

The general public is invited and encouraged to attend this meeting.
